- Clap for organizer lesgoo!

# Whoami?

- My name is Syamil Yusof
- Student at IIUM
- ICE Community Founder
- MCC2025 Agent
- HTB Meetup Kuala Lumpur Host
- Connect me at LinkedIn:)

# Sponsors & Supporters

# HTB in Nutshell

- Online platform to learn cybersecurity hands-on
- Realistics labs, machines and challenges
- Have labs, academy, enterprise
- Its legal

Why do HTB Meetup and some  
disclaimer

# HTB Sherlock

- Labs to upgrade our defensive skills
- SOC, TI, ICS, Malware Analysis and many more
- Difficulties from Very Easy to Insane
- Disclaimer again : I also not yet good in this

# Whats for today?

We play 2 sherlocks

We eat

We do SpeedHack : DFIR Edition

# **Things Not Allowed in This Meetup**

To say “This is hard”

Say “Not yet easy” instead :)

Quiz Time!

HTB Enterprise

After this slides is for second  
sherlock

Sherlock #2 - Dream Job 1

# Challenge Description

You are a junior threat intelligence analyst at a Cybersecurity firm. You have been tasked with investigating a Cyber espionage campaign known as Operation Dream Job. The goal is to gather crucial information about this operation.

# Understanding the Challenges

1. Espionage campaign - Operation Dream Job
2. To gather crucial information about this operation

# Step #1

Understand how do we gather  
information of cyber attack

# MITRE ATT&CK Framework

- Stands for Adversarial Tactics, Techniques and Common Knowledge
- Framework created by MITRE
- Catalog of how real-world cyber attackers behave
- <https://attack.mitre.org/>

# Step #1.5

# Step #2

No more slides, lets go through the web

# Step #3

Yeay we are now a  
CTI, lesgo!  
(daydreaming)

Quiz Time!

Lets Take A Break

Lets Eat

We gonna resume at 10:xx

**SpeedHack : DFIR Edition!**

**After this is closing timee!**

**Lucky Draw!**

# Feedback

Feedback Form

1. Don't forget to give feedback in Meetup.com
2. Tag Us At LinkedIn!
  - a. SIG Cybersecurity IIUM
  - b. ICE

Our LinkedIn

**Thats all for today guys :~)**  
**Thank you for joining us!**

P/S : Lets take some picture hehe
